

ATS GROUP REAFFIRMS ITS OFFICIAL CHANNELS AND THE UNIQUENESS OF ITS CERTIFIED SERVICES

Verona, 19/11/2024 – ATS Group, a group of companies operating in Type Approval and the TIC field within the Automotive sector, wishes to inform its customers, as well as all institutional and commercial partners, about the importance of relying exclusively on official channels for accessing services and verifying the authenticity of issued certificates.

In recent weeks, ATS Group has become aware of unauthorized websites and platforms improperly replicating distinctive elements of our brand, including issuing fake Reports and Certificates and mimicking our authenticity verification systems.

ATS Group will undertake all necessary legal actions against those responsible for such conduct.

ATS Group hereby officially announces that the domain <https://www.ats-srl.org/> is a counterfeit and is not authorized or recognized by our company. ATS Group firmly dissociates itself from this domain and reiterates that the only reliable source for official information and communications is the company's official website. We urge all our clients and partners to exercise caution and to use only authorized channels to avoid any risks associated with this unauthorized imitation.

In this regard, we wish to reiterate that the only official website of ATS Group is <https://www.ats-group.org>, and the only valid link for verifying the authenticity of issued certificates is <https://www.ats-group.org/en/authenticity-check>.

Additionally, below are the official websites of the companies that are part of ATS Group.

ATS San Marino - <https://www.ats.sm/>

ATS Europe - <https://www.ats-europe.eu/>

ATS China e HK - <https://ats-group.cn/>

ATS India - <https://ats-india.in/>

ATS Brazil - <https://ats-brazil.com.br/>

Protecting Our Clients and Reliability Standards

ATS Group has always been committed to ensuring transparency and security-core values that set us apart in the industry. The trust of our clients place in us is a source of great pride, and we are determined to protect it by all available means. Therefore, we encourage everyone to be cautious of external platforms and links not directly associated with our official websites and to report any irregularities encountered.

A Message from ATS Group CEO

“In a context where authenticity and reliability are fundamental values, our Group is committed to maintaining the highest standards of security and transparency. Our priority is to protect our clients and ensure they have a safe and reliable experience. For this reason, we are taking all necessary measures to counter the spread of unauthorized imitations and to safeguard our brand's reputation,” stated Eng. Gabriele Zivelonghi, CEO of ATS Group.

Customer Support and Initiatives

To ensure maximum customer protection and an authentic experience, ATS Group has enhanced its authenticity control system and developed advanced tools for certificate verification. Our team is always available to answer questions, provide clarifications, or handle reports through official channels.
